

HEAVY DUTY

MULTI-PURPOSE

EDGE[®]

INDUSTRIAL WORK GLOVES

48-500
48-501

A cost-effective hand protection for heavy handling.

A cost-effective solution for heavy weight applications requiring a good level of abrasion resistance along with liquid repellency.

Nitrile dipped cut and sew glove for heavy handling offering good resistance to abrasive material.

Stronger and more flexible than PVC, provides a good barrier to grease and oil and does not degrade like leather or latex.

The economical choice for a heavy-duty glove solution with quality features.

Size 8 to 11

Industries

Automotive & Auto OEM
Metal Fabrication
Machinery & Equipment
Utilities & Logistics

Applications
